

# HELIX 3022

Core™ Series

HexArmor®

Designed with versatility to the core, the 3022 is one of the gloves in the Helix® Core™ Series. The Helix® 3022 features a 15-gauge HPPE/steel/fiberglass/polyester blend shell with cut and abrasion resistance, all while offering a breathable, lightweight wear.

The PrimeFoam nitrile palm coating delivers superior grip and abrasion resistance in dry or oily applications, complete with a reinforced thumb saddle for added durability.
